EXPERIENCE

July 2024 – August 2024

Software Engineering Fellow, Headstarter

Chosen for an intensive 7-week fellowship focused on software engineering, featuring hands-on experience with Javascript, Next.js, HTML & CSS. I benefited from rigorous interview prep, resume reviews, and direct feedback from industry experts.

May 2024 – June 2024

Fellow, HBCU 20 x 20 Power of Dreams Fellowship (Cohort II)

Completed for a highly competitive fellowship designed for incoming HBCU students that accelerated career readiness through dynamic workshops. I gained invaluable insights across diverse fields especially tech, while expanding a powerful network of industry professionals.

May 2024

Software Developer, Chatdesk, New York, USA

In line with Chatdesk's goal to automate processes and improve efficiency in customer service.

I singlehandedly built a Warranty and Refund Calculator which has been Integrated and launched on the company's server.
